**Subject:** RE: 2nd Revised Notice of Filing and Hearing and Revised 2ndTransmittal Letter

Good afternoon.

The revised letter Customer Notice Letter from the Clerk requires mailing on or before tomorrow, Friday, August 14, 2020. DIUC has informed me that its billing software creates individual bills to be mailed in window envelopes. The Notice is in a different format than bills and will require a labelling program be set up so that labels may be printed then affixed separately to envelopes. Envelopes will then be manually stuffed and postage affixed. Additionally, the administrator coordinating the mailing is not working on Fridays due to COVID-19 related child care issues.

Given these issues, DIUC asks that the Clerk please consider allowing DIUC to transmit notice on or before Monday, August 17, 2020. That would still allow 21 days for appropriate parties to file a Petition to Intervene (until September 8, 2020), as agreed to by ORS. Proof of mailing would still be provided on or before August 20, 2020, as indicated.

Thank you for your consideration. I will e-file a copy of this correspondence so that a record of the same is made in the docket of this matter.
